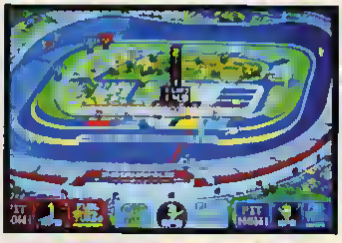
Turn up the HEAT

Now, you can drive Danny Sullivan's INDY HEAT ™, the new three-player driving game from Leland Corporation. Optional buy-in feature allows you to custom-build your winning team: Engine, Tires, Pit Crew, Fuel Capacity, etc. Dynamic stereo and detailed graphics capture the sights and sounds of the Indy Car Circuit as you compete in each of the 14 races hosted by major cities of the U.S. and Canada. Listen to the rarified wail of the engines, see your expert pit crew's split-second performance, settle down into the cockpit of one of the world's most powerful racing machines and get ready to turn up the HEAT...

Features:

—3 Player action
—3D Marquee
—Continuous play buy-in
—Coinage operator adjustable
—Factory coin setting:
50c Play, 25c Continue
—Great screen graphics depicting 14 challenging North American Indy car race courses
—Tested formula for long term earnings
—Unique tilt-wheel design provides easy front access and servic-ability to steering mechanisms
—Heavy duty foot pedals
— "Gasoline Alley" buy-in allows players to buff out their cars with additional coins
—Dimensions:
w32"-d43"-h83", 475 lbs
—Monitor: 25" Wells-Gardner



WARNING to the competition: Leland's HEAT really cooks!
